POLICY & PROCEDURE STATEMENT

PURPOSE: The purpose of this Policy & Procedure Statement is to clarify how Riverland will create, review and approve policies and procedures.

APPLICABILITY:

The electronic handbook on the website contains policies, procedures, and information necessary for the operation of Riverland Community College (Riverland). The policies and procedures shall be reviewed and approved by various Riverland committees. It is the intent of the College that these policies and procedures respect individual student identity, while being applied consistently and uniformly. These policies and procedures were developed according to the most recent rules, regulations, and data available at the time of publication. However, Riverland policies and procedures are subject to revision by state and federal agencies, which are beyond the jurisdiction of the College. Changes in rules, regulations, policies, and procedures made by higher levels and agencies of government supersede College policy. All policies will be reviewed for possible revision on an annual basis.
