

## Federal Refund Policy and Financial Aid Repayment

This policy applies to students who receive the Federal Pell Grant, Federal Supplemental Education Opportunity Grant (SEOG) , Federal Stafford Loan or Unsubsidized Stafford Loan, Federal Perkins Loans or the Parental Loan for Undergraduate Students.

The refund of the unearned portion of federal financial aid will be calculated based on the date the student began the official withdrawal process, the last day of documented attendance or the mid-point of the semester.

If a student withdraws from the College on or before the 60 percent point in the semester, the percentage of unearned Title IV financial aid will be returned to the aid program by the College or the student.

Students may also be required to repay all or part of their financial aid awards if they register for late semester start classes that are cancelled due to low enrollment, unofficially withdraw from classes or receive F's in classes from which they did not formally withdraw.
