CRRSAA

Only students who are eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965, as amended (HEA), may receive emergency financial aid grants. Students will demonstrate eligibility to participate in programs under Section 484 the HEA by having a FAFSA on file at Riverland showing eligibility at the time funds are distributed. Students who have not filed a FAFSA may not receive emergency financial aid grants. The criteria to participate in programs under Section 484 of the HEA include but are not limited to the following: U.S. citizenship or eligible noncitizen; a valid Social Security number; registration with Selective Service (if the student is male); and a high school diploma, GED, or completion of high school in an approved homeschool setting.

Eligible students include students who are enrolled and attending at least one course that is all of the following:

- Both Ground-based or online
- Credit-earning
- Semester-based course
- Enrolled as of March 24, 2021

- Is not dropped, withdrawn, or last date of attendance before March 24, 2021

Students not eligible under Department of Education and Riverland guidelines:

- **Base Award:** Riverland defines a student with financial need to be a student with an EFC from a 2020-2021 FAFSA as of March 24, 2021 below Riverland cost of attendance.
 - Students meeting eligibility guidelines and having an EFC lower than Riverland’s cost of attendance will receive a base award of funds based on their enrollment level for spring semester 2021.
 - CRRSAA funds will help students pay for essential needs (housing, food, toiletries) as well as increased technology costs related to online courses, e.g. computer, internet and modem costs.
 - Base funds will be distributed based on the student enrollment level as follows:

Full time (12+ credits)	\$440.00
Three quarter time (9-11 credits)	\$330.00
Half time (6-8 credits)	\$220.00
Less than half time (1-5 credits)	\$110.00

- **Supplemental Award:** Riverland recognizes our highest need students are students with a Pell eligible EFC from a 2020-2021 FAFSA as of March 24, 2021
 - Students meeting eligibility guidelines and having a Pell eligible EFC will receive the base award as well as a supplemental award based on student enrollment level for spring semester 2021.
 - These are our neediest students for which a small financial obstacle can prevent students from succeeding. The COVID-19 pandemic will disproportionately affect this group of students.
 - CRRSAA funds will help students pay for essential needs (housing, food, toiletries) as well as assistance in establishing and maintaining technology needs, e.g. computer, internet and modem costs.
