

Use of Riverland email

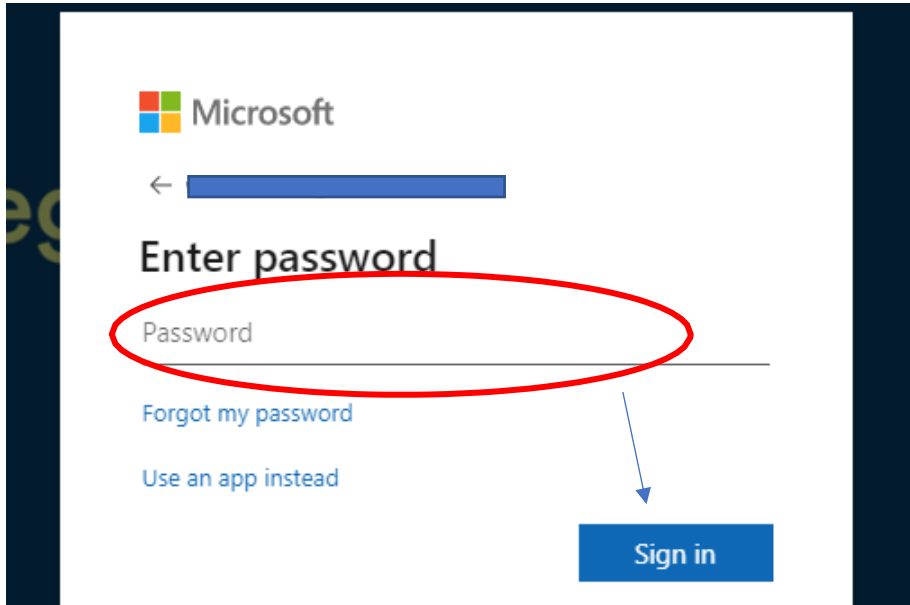

1. Login to Riverland home page www.riverland.edu and go to “My Riverland” to see options.

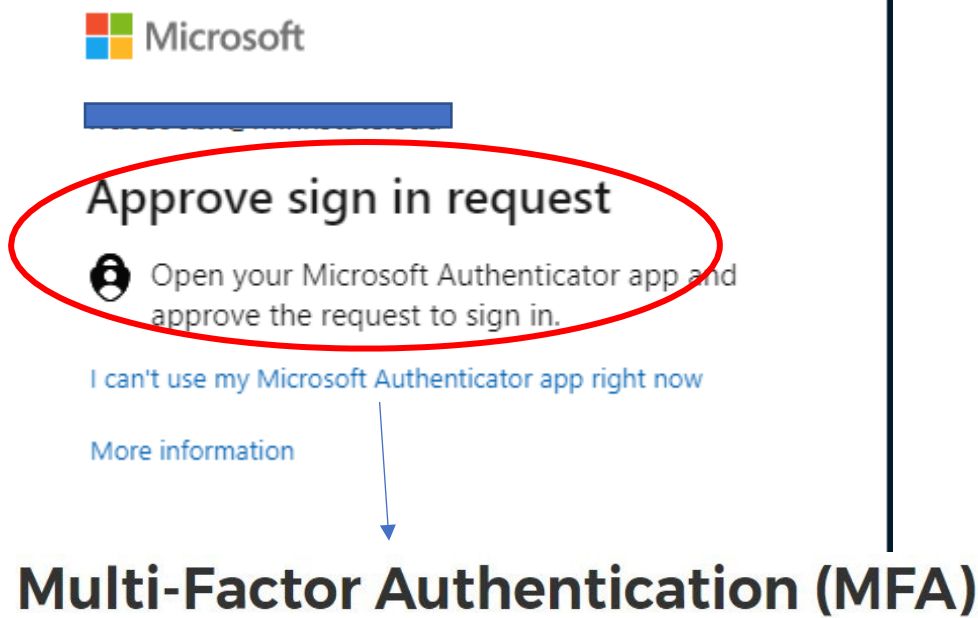

2. Under “My Riverland” Select option “Office 365”.

3. Click "Sign in" and sign in with your STARID@go.minnstate.edu.
4. Enter your password (you created your password when you set up your STARID) and sign in.

5. You will be asked to set up a “Multi-Factor Authentication” (MFA)

Microsoft

Approve sign in request

Open your Microsoft Authenticator app and approve the request to sign in.

I can't use my Microsoft Authenticator app right now

More information

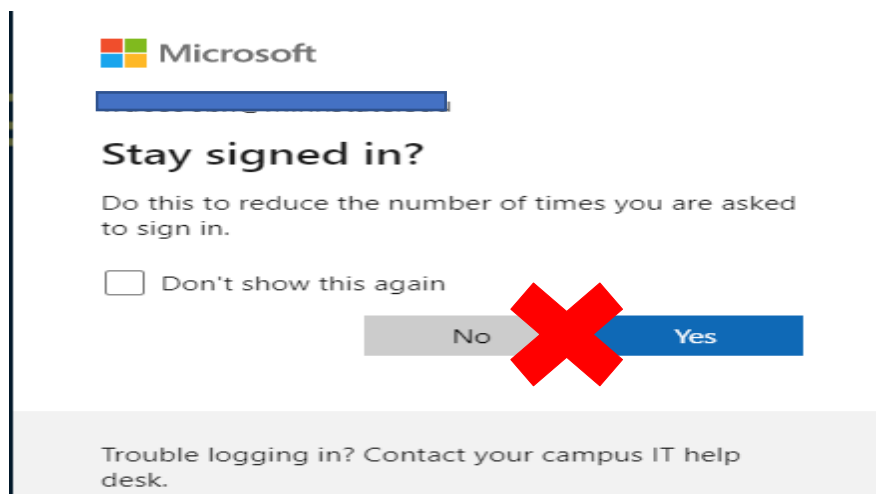

Multi-Factor Authentication (MFA)

What is multi-factor authentication (MFA)?

Multi-factor authentication is an additional security measure which helps protect your Microsoft Office365 account. MFA creates layered protection requiring users to sign in using more than one method, which helps keep Riverland systems secure and helps prevent cybercriminals from gaining access to your personal information.

For more information go to www.riverland.edu/MFA

6. Stay signed in?

Microsoft

Stay signed in?

Do this to reduce the number of times you are asked to sign in.

Don't show this again

No Yes

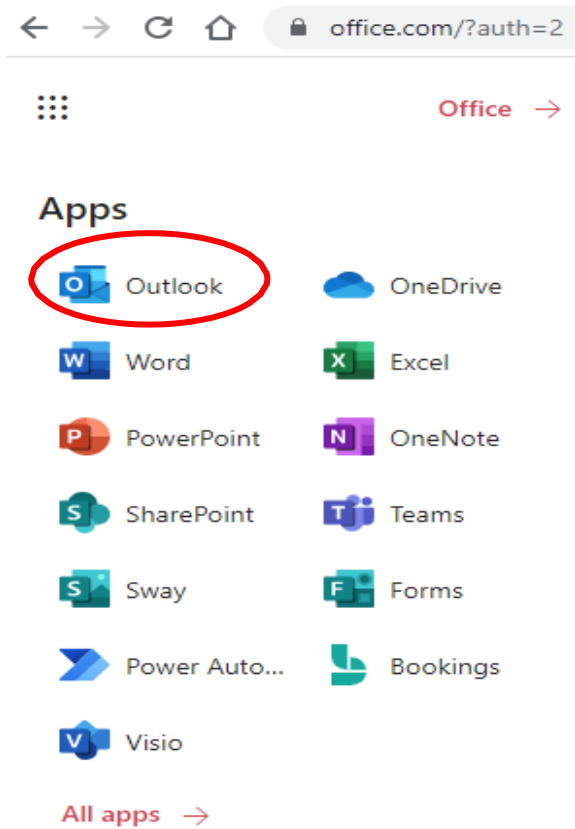

Trouble logging in? Contact your campus IT help desk.

*From a trusted computer click **YES, remember me!** It reduces the number of times that you have to go through the “MFA” steps.

*On campus or using a computer that is not yours, the strong “recommendation” is that you choose no.

7. Office365 Student Login

Once you log in to your 365 area look for your “Outlook” option and click to see your email.

8. For questions or help, look for Riverland Help Center for all the “TECHSUPPORT”.

Look for the subject of your questions, if you don't find the answer please go to the bottom of the page and select "SUBMIT A TICKET".

Still can't find an answer?

Send us a ticket and we will get back to you.
