

# RIVERLAND COMMUNITY COLLEGE

## Associate in Arts Degree

Effective May 16, 2016

The Associate in Arts degree will be awarded to students for successful completion of 60 semester credits. Forty of these 60 credits must be selected from the Minnesota Transfer Curriculum requirements listed below. The remaining credits are considered electives and may be chosen from any course with a course number of 1000 or higher; one of these elective credits must be a course in Physical Education or Health or EMER or HCNA 1200 or THTR1111. A minimum of 20 semester credits must be taken at Riverland; this requirement is reduced to 12 semester credits for students transferring from another Minnesota State College or University. (MnSCU) Minnesota Transfer Curriculum (MnTC) requires a minimum cumulative GPA of 2.0. Transfer Grades - All college level courses in which a student has received a grade of A, B, C, D or P/S will be considered for transfer evaluation. No F grade courses will be accepted. Please note that while D grades will transfer and will fulfill Minnesota Transfer Curriculum (MnTC) requirements, some programs require all courses to have a grade of C or higher to fulfill requirements.
