**RIVER DAYS WELCOME WEEK**

Spring 2021

## River Days Spring 2021

**River Run:** Use an app to track your Run/Walk in the shape of an R! Screenshot and send to Student Life via e-mail or social media to receive a Riverland lanyard and go into a drawing for Riverland gear! Special prizes for the fastest, most creative, or most accurate!

**Syllabus Scavenger Hunt:** Students can participate in this by filling out a Scavenger Hunt Report for a syllabus. It will ask questions such as “what repetitive due dates do I have?” and “when are my professor’s office hours.” Students will fill these out based upon their syllabus, each report is one submission in a raffle for a \$10 gift card and a Student Life T-shirt. Students can submit one Scavenger Hunt Report for each syllabus/class they have!

**Involvement Quiz/Passport:** Students can take a test to see which Riverland involvements will fit them best! Students can share their results for a chance to win prizes!

**Welcome Back Station:** We will have the class schedule, pens, and a giveaway item to welcome students back to campus. The kiosks at the entrances will likely be staffed so these items will be supplemental. This is an opportunity for faculty and staff to get involved by working at the Kiosk and greeting students!

**Food Pantry Grab & Go Tasting:** Students will be able to grab a snack from the Riverland Food Pantry Grab & GO Tasting! Students will also learn about the new Groceries-To-Go Initiative.

**Welcome Back Grab & Go Breakfast:** Albert Lea usually has a Welcome Back Breakfast every Spring. This will continue this year as a pre-packaged grab and go breakfast.

**Take & Make- Time Management Board:** Students can pick up a Take & Make Kit from the Student Services on their campus. In the kit, they will find supplies to make a time management board craft!

**Coffeehouse:** This event will occur online and on Mainstreet. Students, faculty, and staff will be asked to share art or recorded performances of music, theatre, or poetry. We will showcase the submissions while students can pick up a cup of coffee or cocoa.

**Writing & Math Center Open House:** This is a lunch event sponsored by the Writing and Math Center. Please contact Marie Lechelt with further questions.

**Blue Devil Wellness Challenge/Center Tabling:** Students can stop by this table to learn more about the Blue Devil Wellness Challenge and how they can earn prizes for engaging in mental and physical wellness activities.

**Cocoa & Crafts:** Students can stop by to grab a cup of cocoa and a kit to make a craft such as a tie blanket, bracelet, or mug. They can participate in this as a grab and go or socially distanced.

**Kahoot Night- Internet Safety:** This round of Kahoot will focus on internet safety! All students that attend will receive a Riverland sliding webcam cover!

**Email Drive:** Students will be encouraged to download their email on their phone. Once they have done this, they can screenshot for proof and e-mail it to student life to be entered into a raffle for \$10 gift cards! This will hopefully encourage our students to check their email more often!

**E-sports Tournament:** Students can participate in the tournament with the app, Mission Control. TENTATIVE

**Social Media Challenges (ex. Manage Your Time Monday):** Students can participate in these challenges by sending a picture or video to Riverland Student Life email or Direct Message to a Student Life Social Media. 3 prizes will be given out for each daily challenge!
